

Normal Abdominal Ultrasound Image Summary

Image:

1. pancreas (head/uncinate) trans
2. pancreas (body) trans
3. pancreas (tail) trans
4. pancreas (head) long
5. pancreas (head/uncinate) long
6. pancreas (body) long
7. pancreas (tail) long

8. proximal aorta -long
9. mid aorta -long
10. distal aorta – long
11. proximal aorta –trans
12. mid aorta – trans
13. distal aorta –trans
14. bifurcation –trans

15. IVC – long
16. IVC (with color)

17. gallbladder supine-long
18. gallbladder supine –trans body

19. gallbladder decub- long
20. gallbladder decub –trans (fundus)
21. gallbladder decub –trans (body)
22. gallbladder decub – trans (neck)

23. CBD –long with color
24. CBD –long

25. Liver – long left lateral
26. Liver – long left medial / caudate
27. Liver – long right anterior (ml)
28. Liver – long right dome
29. Liver – long right posterior /diaphragm
30. Liver – long right posterior/kidney
31. Liver – trans left lateral
32. Liver – trans left dome
33. Liver – trans left medial/caudate
34. Liver – trans right anterior/hepatic veins

Measurement:

8. AP
9. AP
10. AP
11. trans
12. trans
13. trans
14. trans

21. GB wall thickness

24. CBD diameter (AP)

30. length

- 35. Liver – trans right anterior/hepatic veins (with color)
- 36. Liver – right trans dome

Image:

Measurement:

- 37. Liver Main portal vein (Color)
- 38. Liver Main portal vein (Doppler)

- 39. Kidney right – long
- 40. Kidney right – long medial
- 41. Kidney right –long lateral
- 42. Kidney right – long (color)
- 43. Kidney right – trans superior
- 44. Kidney right – trans mid
- 45. Kidney right – trans mid (color)
- 46. Kidney right – trans inferior

39. length

- 47. Kidney left – long
- 48. Kidney left – long medial
- 49. Kidney left – long lateral
- 50. Kidney left – long (color)
- 51. Kidney left – trans superior
- 52. Kidney left – trans mid
- 53. Kidney left – trans mid (color)
- 54. Kidney left – trans inferior

47. length

Adrenal glands to be evaluated when possible....

- 55. Spleen- long
- 56. Spleen – long (diaphragm)
- 57. Spleen – trans
- 58. Spleen – trans

55. length and width

57. height
