

## RUQ Ultrasound Image Summary

1. Pancreas trans /head and body
2. Pancreas trans / tail
3. Pancreas long / head
4. Pancreas long / body
5. Pancreas long / tail
6. Lt liver long / lateral
7. Lt liver long / mid
8. Lt liver long / medial
9. Lt liver trans / superior
10. Lt liver trans / mid ( include Lt hepatic v. )
11. Lt liver trans / inf / caudate ( including the ligament venosum )
12. Rt liver long / medial (to include IVC )
13. Rt.liver long / mid ( to include portahepatis )
14. Rt liver long / lateral ( to include rt kidney) 14.liver length
15. Main portal vein (color)
16. Main portal vein (doppler)
17. GB Supine long
18. GB supine trans
19. GB LLD long
20. GB LLD long fundus
21. GB LLD long neck
22. GB LLD trans fundus
23. GB LLD trans body
24. GB LLD trans body 24. GB wall diameter
25. CBD long (color)
26. CBD long (color) 26. CDB diameter
27. Rt Kidney long 27. length
28. Rt Kidney trans 28. width and height
