

Screening Abdominal Aorta (AAA) Image Summary

Image:	Measurement:
1. Patient information screen	
2. Long proximal aorta grayscale	AP
3. Long mid aorta grayscale	AP
4. Long distal aorta grayscale	AP
5. Long distal aorta color <u>and/or</u> spectral Doppler waveform	
6. Transverse proximal aorta grayscale	AP & Width
7. Transverse mid aorta grayscale	AP & Width
8. Transverse distal aorta grayscale	AP & Width
9. Transverse right and left common iliac arteries	
10. Long left common iliac artery grayscale	AP
11. Long right common iliac artery grayscale	AP
