

IR CLINICAL HELPFUL HINTS - PALMETTO

STUDY	APPROPRIATE USING	MORE INFO NEEDED IF ONLY:
<p>Facet Joint Injections, for Pain Management</p> <p>64490 - 64495 64633 - 64636</p>	<p>Bursal Cyst [facet cyst rupture only]</p> <p>Spondylosis without myelopathy or radiculopathy, cervical, cervicothoracic, thoracic, thoracolumbar, lumbar, lumbosacral regions</p> <p>Facet Syndrome</p> <p>Ankylosing Hyperostosis [Forestier] cervical, cervicothoracic, thoracic, thoracolumbar, lumbar, lumbosacral regions</p>	<p>Back pain</p> <p>Degenerative disc disease</p> <p>Low back or lumbar pain</p> <p>Neck pain</p> <p>Spondylosis, unspecified</p>
<p>Sacroiliac Joint Injection</p> <p>27096, 64451, 64625</p>	<p>Fusion of Spine, sacral and sacrococcygeal region</p> <p>Sacroiliitis</p> <p>Spondylosis without myelopathy or radiculopathy, sacral or sacrococcygeal region</p> <p>Sacrococcygeal disorder, not elsewhere classified</p>	<p>back pain</p> <p>low back pain</p>
<p>Epidural Steroid Injection for Pain Management</p> <p>62321, 62323 64479, 64480 64483, 64484</p>	<p>Other Spondylosis with radiculopathy, cervical, cervicothoracic, thoracic, thoracolumbar, lumbar, lumbosacral regions</p> <p>Cervical Disc Disorder at C4-5 and/or C5-6 and/or C6-7 levels or cervicothoracic region with radiculopathy</p> <p>Intervertebral Disc Disorders with radiculopathy, thoracic, thoracolumbar, lumbar, lumbosacral regions</p> <p>Radiculopathy, cervical region</p> <p>Radiculopathy, cervicothoracic region</p> <p>Radiculopathy, thoracic region</p> <p>Radiculopathy, thoracolumbar region</p> <p>Radiculopathy, lumbar region</p> <p>Radiculopathy, lumbosacral region</p> <p>Radiculopathy, sacral and sacrococcygeal region</p> <p>Subluxation stenosis of neural canal of cervical, thoracic and lumber region</p> <p>Osseous stenosis of neural canal of cervical, thoracic and lumber region</p> <p>Connective stenosis of neural canal of cervical, thoracic and lumber region</p> <p>Intervertebral disc stenosis of neural canal of cervical, thoracic and lumber region</p>	<p>Back pain</p> <p>Low back or lumbar pain</p> <p>Radiculopathy, site unspecified</p> <p>Spinal Stenosis</p>

Osseous and Subluxation stenosis of intervertebral foramina of cervical, thoracic and lumber region Connective tissue and disc stenosis of intervertebral foramina of cervical, thoracic and lumber region

Percutaneous Vertebral Augmentation for Osteoporotic Vertebral Compression Fx

22510, 22511, 22512,

22513, 22514, 22515

Age-related osteoporosis with current pathologic fracture, **vertebra**
Other osteoporosis with current pathologic fracture, **vertebra**

Compression fracture, unspecified
Osteoporosis w/current fracture, unspecified site.
Pathologic fracture
