

BRANDING MERCHANDISE SITE

The Practice has worked with a company called **Branding Merchandise** who set up a site where staff and providers can purchase branded merchandise items. Please note that as a Practice, we do not receive any proceeds from the sale of any of the merchandise. This is strictly a means to purchase items with the various company logos should you wish to do so. The ordering and delivery of the merchandise is as with any other online site/store.

Please also note that when ordering, it's important to review the sizing guidelines because these are customized embroidered items that are **not returnable** unless it is an error made by **Branding Merchandise**.

Registering for access to the Branding Merchandise site is available at following link:
<https://rafimaging.brandingmerchandise.com/index.php/site/login>.

Click on CREATE AN ACCOUNT and complete the onscreen fields (screen shots below). Once you have successfully registered, you will be able to log in at the link above to view and purchase merchandise.

The screenshot shows a registration form on a dark background. At the top, there is a navigation bar with the text "No, I do not have an account" and a blue button labeled "CREATE AN ACCOUNT". Below this is the "Sign Up" section, which includes several input fields: "Username *", "FIRST and LAST Name *", "Email *", "Password", "Re-type Your Password", and "Contact No.". There is a checkbox for "I agree to the Terms of Service and Privacy Policy". Below the checkbox, there is a text box containing a CAPTCHA code "WgQ7xhA" and a "Refresh" button. At the bottom of the form, there are two buttons: a grey "BACK" button with a left arrow and a blue "SIGN UP" button with a right arrow.
